## Experience

### Six Flags | Motion Graphic Designer September 2022 - November 2025

Collaborated closely with a pipeline of art directors and videographers to produce captivating animations and live video content for in-park digital signage, social media, and internal communications. Edited live videos, developed 2D/3D animations, and provided motion assets for interactive experiences that enhanced visitor engagement while promoting sales across every Six Flags park in the US and Canada.

### iMFLUX | Marketing & Animation Intern May 2021 - Sep 2022

Played a pivotal role in creating animations, presentation templates, and printed graphics that aided in the organization's mission of refining plastic injection molding technology. Worked with lead educators to develop 2D and 3D animated demonstrations that aided in educational presentations, helping to boost B2B sales.

### Bearcast Media Group | Freelance October 2020

Worked alongside Bearcast's Art Director to illustrate customized portraits of the team's members that contributed to a positive and personalized representation of the group's talented workforce.

### Pyramid Hill Sculpture Park | Media Team Member January 2020 - April 2021

Boosted guests' experiences by developing updated graphics for in-park printed signage, web, social media, and park activity sheets. Worked directly under the park's Event Coordinator to develop social media posts and promotions for community events.
